第十三讲 查看、更新、销毁 MBTI 卡片

需求分析

查看、更新、销毁 MBTI 卡片

The image displays three sequential screenshots of a web application interface for MBTI cards:

- Left Screenshot:** A simple login screen with the title "MBTI" and a single blue button labeled "登录" (Login).
- Middle Screenshot:** The "Claim MBTI" screen. It features the title "MBTI", a red "退出" (Logout) button, four dropdown menus (E, N, J, T), a blue "Claim MBTI" button, a text input field containing "0Fab02", a blue "查询" (Query) button, and a yellow "INJT" card. A small dropdown menu is open over the "Claim MBTI" button, showing options "--", "I", and "E".
- Right Screenshot:** The "Update/Destroy" screen. It features the title "MBTI", a red "退出" (Logout) button, four dropdown menus (E, N, J, T), and two buttons: a blue "更新" (Update) button and a red "销毁" (Destroy) button. These two buttons are highlighted with a red rectangular box. Below them is a large yellow "INJT" card. Underneath the card, it says "您被围观 N 次 MBTI 历史" (You were surrounded N times MBTI History), followed by a list: "2*. INJT" and "1. ENJT". At the bottom, there is a text input field with "0Fab02", a blue "查询" (Query) button, and the text "0x0000...0000 INJT".
